*Where the World Opens Up*

## Parkland Village School

### Accountability Pillar Results Summary Report

November 9, 2016

## Background

The Accountability Pillar surveys are administered annually during the months of January to March to:

- Students in grades four, seven and ten;
- Students in grades four through nine (small schools);
- Parents of students in grades four, seven and ten;
- Teachers.

Students and teachers complete the surveys online at school while parents receive a copy of the survey by mail and are asked to return the survey directly to Alberta Education by mail.

Student responses were grouped within the *“Tell Them From Me”* survey process. Responses were collected and tabulated into the summary chart released in May and were updated in October to include updated academic achievement based on the Provincial Achievement Tests and the Diploma Examination results (Divisional and FNMI specific).

### **Responses to the surveys were received from approximately:**

- 10 parents responded to the survey, which is up from the past four years. Unfortunately, low survey responses may not accurately represent our parent population.
- In Parkland School Division, approximately 413 parents responded to the survey;
- In Parkland Village School, approximately 47 students responded to the survey;
- In Parkland School Division: 4,064 Students (1,449 in Grades 4-6 | 1,230 in Grades 7-9 | 1,385 in Grades 10-12)
- 14 teachers responded.

These are approximate numbers as not every student answers every question.

### **Parkland Village School Highlights and Celebrations:**

- Overall we found that parents, teachers and students indicated that students feel safe at school and are learning the importance of caring for others.
- Parents indicated a high level of satisfaction with the learning opportunities using technology.
- Parents indicated a high level of satisfaction with the Physical Education program.
- A high level of Grade 4 students reported a high sense of belonging.
- A high level in Grade 4 students reported they are interested and motivated in their learning.

### **Areas Requiring Strategic Planning:**

Parkland School Division's Ultimate Goal is Student Success and Well-Being. The Board's Education Plan targets four strategic goals that contribute to the Ultimate Goal: Inclusive Education, Quality Learning, Culture of Wellness and Universal Leadership.

Our school's plan for education aligns to the Board's Education Plan.

- An overall reported decrease from teachers, parents and students indicating that their school has improved or stayed the same.
- Parents and teachers indicate decreased satisfaction with the opportunity for students to receive a broad program of studies.
- Students reported a decrease in their satisfaction that their classmates are modeling active citizenship.
- Parents reported a decrease in satisfaction that students are being taught attitudes and behaviours to make them successful after school.
- Parents reported access to responsive programs for at-risk students as an area of concern.
- Parents and teachers indicate that they are not satisfied that students demonstrate knowledge, skills and attitudes for life-long learning.
- Parents reported a decrease in their satisfaction with the overall quality of basic education.

Academically derived measures are also provided on our school webpage. These 2015-2016 measures include:

- Provincial Achievement Tests (Acceptable and Excellence)
- Participation Rate

## Measure by Measure – Survey Results for Parkland Village School

**A.1b Program of Studies Measure History:** Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education.
